Following is the approved response to the below query:

Dear

Thank you for your email correspondence to Citizenship and Immigration Canada's (CIC) Immigration Representatives mailbox.

Your client should submit the criminal rehabilitation application to the nearest Canada Immigration Centre (if in Canada), or to the visa office responsible for his/her region (if outside Canada). Then, your client must disclose this information in his/her Express Entry profile by uploading a letter, with any other documents, indicating where the application has been sent.

We hope this information will assist you. Once again, thank you for your email and for your interest in Express Entry.

Sincerely,
Immigration Representatives Inbox

Hello,

For your action, see inquiry below.

- Please provide a response approved by your manager directly to the ImmigrationRepresentatives mailbox, before the due date indicated in the subject line.
- The response will be sent directly to the representative from the ImmigrationRepresentatives mailbox. Please do not respond directly to the representative as we are tracking all messages received and responses sent out. This will encourage representatives to use the mailbox and not direct their request to the officers and provide a more efficient way of responding to clients.
- If you are unable to provide a response within the service standard please send a message to the ImmigrationRepresentatives mailbox and we will inform the representative.

Thank you kindly

Dear Sir/Madam,

We represent a client who qualifies for entry into the Express Entry pool of candidates. However, he also needs to submit a Criminal Rehabilitation application.

Do you mind confirming what the procedure for filing the two applications should be? Should the applicant wait to receive an ITA and upload the application for rehabilitation along with his other supporting documents, or would it be recommended to file the rehabilitation application separately and disclose it in the e-APR application?

Many thanks,
