Following is the approved response to the below query:

Dear

Thank you for your email correspondence to Citizenship and Immigration Canada's (CIC) Immigration Representatives mailbox.

We are unable to respond to case specific questions. However, it is important to note that Express Entry candidates are responsible for ensuring that the information in their profile is accurate and up-to-date at all times.

In order to obtain 600 points under Express Entry for arranged employment, candidates who are not already working in Canada on an LMIA-based work permit with a job offer from their current employer must indicate in their profile that they have a valid job offer from their prospective employer which is accompanied by a positive permanent or dual intent LMIA.

We hope this information will assist you. Once again, thank you for your email and for your interest in Express Entry.

Sincerely,
 Immigration Representatives Inbox

Hello,

For your action, see inquiry below.

- Please provide a response approved by your manager directly to the ImmigrationRepresentatives mailbox, before the due date indicated in the subject line.
- The response will be sent directly to the representative from the ImmigrationRepresentatives mailbox. Please do not respond directly to the representative as we are tracking all messages received and responses sent out. This will encourage representatives to use the mailbox and not direct their request to the officers and provide a more efficient way of responding to clients.
- If you are unable to provide a response within the service standard please send a message to the ImmigrationRepresentatives mailbox and we will inform the representative.

Thank you kindly

I have an applicant who is on an OPEN WP and entered a profile under EE.

He has now received a positive LMIA from his employer, but is still working on the open WP.

Does he receive the 600 points under EE for the LMIA?

Does he need to change his OPEN WP to an LMIA based Employer Specific WP before he is eligible to receive the 600 points for the EE??

Thanking you in advance.
